- 3) We confirm hereby that we are fully aware of and have understood the 'Conditions for the Use of GRTS Signs' document (latest version, publicly available on the GRTS website) and the prescribed label release procedure using the form 'Labelling Release for GRTS Goods' and that we will strictly adhere the same.
- 4) We also hereby confirm that we are aware that any reference to GRTS must be accurate and there should be no implication that all the goods we offer for sale are GRTS certified (unless this is true).
- 5) We hereby declare that we will use the logo solely and wholly for the herein-stated intended purposes and only in direct reference to the GRTS Goods labelled with the GRTS Signs that are sold by us.
- 6) We are aware that any use of the GRTS logo in connection with goods that are not correctly labelled is forbidden.
- 7) We are also aware that **Online labelling in (web)shops is mandatory**
- 8) We are aware that the GRTS logo is a registered trademark, owned by Global Standard gGmbH and any misuse, misrepresentation or other infringement will make us liable for penalty and legal action as stipulated in the GRTS Conditions for the Use of GRTS Signs.
- 9) We acknowledge that we are responsible for obtaining all relevant Transaction Certificates and Label Release Forms for all GRTS Certified materials from our suppliers/manufacturers, both of whom are issued by their respective Approved Certification Bodies.
